

Crawford County Youth Soccer Association 2010

Summer will be here before you know it and with it comes the 26th year of CCYSA Soccer! CCYSA is open to all Youth from ages 4(as of 12/31/10) through 2010 high school graduates. Our program is committed to providing opportunities for youth to learn the sport of soccer, improve their soccer skills, and practice good sportsmanship. General information follows, but check out our website (www.ccyasa.com) for more information.

Soccer Season:

The 2010 season will begin on Saturday, June 19th (the only Saturday practice), with practices and games on either Mondays and Wednesdays or Tuesdays and Thursdays. The season ends August 5th.

Registration:

A copy of the registration form is available on our website (www.ccyasa.com). Registered players will be able to view their team assignments and times to report for the first practice on our website before the season starts. Coaches will contact their players with the information as well.

Important Dates:

First practice day: June 19th (meet your coach and team, receive your t-shirt)

Pictures: Week of June 21st–24th by Dennis Burchard Photography

The CCYSA soccer fields are located on Townline Road, between routes 27 and 77. All games and practices will take place here. Please note that tobacco, alcohol and pets (other than service animals) are strictly prohibited on CCYSA grounds.

Volunteers:

CCYSA relies completely on volunteers and we need your help. We especially need parents who are willing to coach their children's teams, whether as a head coach, assistant coach, or co-coaching with a friend. A coaches clinic will be offered in early June for anyone who is interested in coaching. We also need team parents to coordinate treats assist the coaches and people to help with photography the first week of practice. Descriptions of all the volunteer positions are available at our website (www.ccysa.com).

Sponsors:

Area businesses and individuals are invited to sponsor a team. The financial support given by our sponsors enables us to keep registration fees affordable to all. Information is available at our website.

Referees:

Anyone interested in being a referee must complete an application (available at www.ccysa.com). Adults and youth who are age 12 or older by Dec. 31 2010 can apply. This is a paid position. All candidates will be contacted prior to the start of the season.
